

EAST COAST QUARTER HORSE ASSOCIATION

ECQHA Of Florida, Inc.

Rules For High Point & Year End ECQHA Awards:

To be eligible for ECQHA High Point Awards you must have entered and shown in at least one Halter and Showmanship class during the show. This is a High Point award for the show and you do not have to be a member of ECQHA to qualify.

Please Note About Our Fees:

All fees are per horse, per judge, per show. Numbered classes are eligible for points (earned for AQHA, FQHA, and ECQHA) and lettered classes are exhibition only and are open to all breeds / ages.

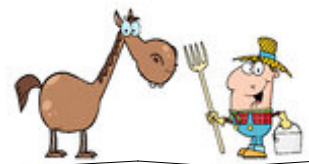

The "All Show Fee" is good for all classes in a division a particular horse shows in - open, Amateur / Select, Youth, Novice, etc. over the week-end, so please take advantage of it and try out some new classes within your division. Any youth or Amateur (including Novice/Select) who shows their horse in the AQHA Open Division class will receive a price credit per judge for that class.

Stalls:

This show will offer a Flat Fee of \$200.00 which includes your stall, divisions and AQHA fees. \$1/per class/ judge added for FQHA fee + office fee.

Please call Liza for stall reservations: 407. 718-0674 or email PayDayIsFriday@aol.com then mail your payment. **Stalls must be paid in advance to guarantee your reservation.** Refunds given only on stalls cancelled seven (7) days prior to the show. **Stalls will be reserved upon receipt of your check for \$75 made payable to: "ECQHA" mailed to: Liza Houghton, 365 Deer Run Road, Osteen, FL 32764.**

Shavings: We can have shavings available the day you arrive - simply request them at the time you reserve your stalls - let Liza know how many bags you'll need . . .

Lodging: All hotels are located close to I-95 either in Port Orange or in Daytona Beach. Please refer to the Accommodations, Directions & Maps page for detailed information you can print.

We have adopted a similar set of rules to FQHA's rules, to keep it simple, since many of our members competing for points also compete for FQHA points. Points are posted within 60 days following the show.

Here Are The Rules:

- * The points are earned by the horse not the rider.
- * The horse's owner must be a member of ECQHA for the horse to earn points in a class. This goes as well for Limited Riders and Novice Riders who are allowed by AQHA to show another person's horse. In case of an ownership change mid-year, between two members, the owner on record at the final show of the year will be given the award.
- * The owner's membership must be current before the show in which the horse may earn points.
- * The horse must be shown in a particular class in as least two shows to qualify for a Year End Award.
- * SELECT: If there are not enough exhibitors for points in a Select Class, your points in the corresponding Amateur class will be counted for Select.
- * Points are calculated based on the number of entries/riders in a class. If there are five riders, first place earns five points, fourth place earns four points, all of the way down. There are no extra points given for halter Grands and Reserves.
- * Awards are given to the owner of the horse, not the rider, if different.

Please call or e-mail Liza with any questions: 407. 718-0674 PayDayIsFriday@aol.com
